Principal's Message:

Our Room 6 teacher, Kerry Aitken is going to take up a new teaching job at Leithfield School from the beginning of Term 3. Kerry has been at Runanga School for over 7 years and has been a great help to our school, organising the e-Learning systems and co-ordinating the sports teams. We wish her all the best at her new school.

Last night was our final performance of '**But You Said You Would**', the school production which was written and directed by Lexia Copp. All the school children were involved, either on stage or working backstage. I hope many of you were able to see this play. It was a fantastic effort from the students and staff.

Thank you to everyone who helped this production come together so well.

We would also like to launch our new Runanga School website.

The address is: <http://www.runanga.school.nz/>

We will continue to add more content in the next few weeks. There will also be a link to a school Facebook page, to keep you updated with the latest school news. We also hope to start a student blog site, which can allow you access to some examples of your child's writing.

Philip Graydon.

National Young Leaders Day:

Eight senior students went to Christchurch for the National Young Leaders Day.

Aaron writes: "When I went to the University of Canterbury, there were 14,000 people there. It was a very, very big place where you can study all types of things."

Leah writes: "We went to the Christchurch Botanical Gardens and the Canterbury Museum. We had a tour guide show us around. We got up early the next day to go to the conference. We heard lots of amazing speakers. My personal favourite was William Pike because he was a really good speaker. He was up on Mt Ruapehu when it erupted and he got his leg amputated!"
